

NSNA 2024 Rep Umpiring Program

We invite aspiring umpires to join the NSNA Representative Umpiring Program for 2024. The revised Rep Umpiring Program is aimed at providing NSNA Umpires the best coaching to a targeted group of umpires for either the attainment of a National C Badge or current National C Badged umpires to further develop their skills in a high-performance program. Two umpires will be appointed to each Representative Team (12-15 State and Development)

Requirements

All applicants that apply to be in the Representative Umpire Program must be registered with NSNA (as either a player or non-player) and hold at least a Junior / Senior Level 1. Umpires selected to participate in the Rep Umpiring Program will be required to attend 3 of the carnivals with the Umpires allocated. Transport can be arranged.

Program Offering

Experienced mentors (B Badge Umpires) will be allocated to each carnival to work one on one with Umpires to develop your umpiring skills. In addition to a Norths Umpiring Uniform, umpires will receive payment for all Carnivals attended. National Badged Umpires who are available may be considered for selection at the Netball NSW State Titles.

NOTE: Acceptance to the program does not guarantee the attainment of a badge

Application

The program will be limited to 16 Umpires as two umpires will be appointed to each Representative Team (12-15 State and Development).

Please complete the form to be considered for appointment to this program by **15 March**
